

Health and Safety Policy

Sue Carrette Training and Consultancy recognises the importance of health and safety in the workplace and requires that :

- All consultancy and training services are delivered using methods and approaches which do not require either those delivering services, or participants and clients to take unnecessary risks or to compromise either their own safety or that of others
- Associate Consultants and other individuals working with, or for, Sue Carrette Training & Consultancy take all reasonable steps to ensure both their own safety and that of others

Client organisations:

- Have in place a detailed and public Health & Safety Policy with which all staff are required to comply
 - Provide a safe environment within which services can be delivered
 - All Associate Consultants and Clients are aware of this Health and Safety Statement.
